iC³ Experiential Branding Opportunities

Turn the iC³ venue into a showcase for your brand with prominent logo placements. This is more than signage. It is an immersive branding experience that surrounds more than one thousand attendees and leaves lasting, photo worthy impressions. This opportunity is ideal for brands that want to lead, launch, or elevate their presence in the industry.

PARKING

Make an impact as the Parking Sponsor. This opportunity puts your organization front and center as attendees arrive and leave, associating your brand with convenience and hospitality.

WI-FI

Keep the Summit connected as the Wi-Fi Sponsor. This opportunity allows your organization to support seamless connectivity for more than 1,000 life science leaders attending the iC³ Summit.

BREAKFAST

Start the day with your brand as the Breakfast Sponsor. This opportunity allows your organization to welcome attendees and make a strong first impression as they kick off the day.

LUNCH

Fuel the day as the Lunch Sponsor at the iC³ Summit. This opportunity allows your organization to welcome attendees during a key networking moment as they recharge and connect.

PARTNERING SOFTWARE

Sponsor the iC³ Summit Partnering Software and place your organization at the center of the attendee experience, supporting their engagement and access to the Summit throughout the day.

ATTENDEE BAG

Sponsor the iC³ Summit Attendee Bag and put your organization directly in attendees' hands, providing a practical way to showcase your brand and leave a lasting impression throughout the event.

LOOKING FOR A SPONSORSHIP OPPORTUNITY THAT IS NOT LISTED?

We can create a custom package tailored to your organization's specific goals and needs.

The BioNTX team is committed to supporting you at every stage of engagement. We are available to answer questions, and work closely with you to identify meaningful opportunities for collaboration that align with your goals.

Through a strong network of industry leaders, innovators, and stakeholders, we help create connections that matter. Together, we aim to drive innovation, strengthen partnerships, and support sustained growth across the region's life sciences ecosystem, ensuring your investment delivers both visibility and lasting impact.
