

DATA CONFIRMS NORTH TEXAS IS THE PLACE TO BE

A BUILT-IN BIOTECH WORKFORCE

North Texas offers specialized biotechnology and life science education including industry-led, entry level fast track training from associates degrees to PhD's. With the GoBiotech program, we are creating a vibrant ecosystem of talent that feeds into our dynamic biotech industry.

If you're ready for your business to grow, just remember that everything's bigger in Texas. And that BHIANT - the Biotechnology & Healthcare Industry Alliance of North Texas - can help make it happen. Learn more at bhiant.com.
